European Computer Driving Licence® (ECDL) & ECDL Advanced

Join the 1.5 million people in the UK who have chosen **ECDL** as the way to learn all important IT skills.

ECDL
European Computer
Driving Licence

Do you want to know how to gain computer skills that can give you confidence and competency? One that can help you be more efficient in your existing job and impress your employer, or even the ability to get a new job?

The **ECDL** is the **internationally recognized** qualification which enables people to demonstrate their competence in computer skills. The record breaking **ECDL** is the fastest growing **IT user qualification** in over 125 countries.

The **ECDL** is designed specifically for those who wish to gain a benchmark qualification in computing to enable them to develop their IT skills and enhance their career prospects. **No prior knowledge of IT or computer skills is needed to study ECDL.**

If you have completed your **ECDL** and want to progress your skills or if you are already a 'power user' - **ECDL Advanced** is the qualification for you.

ECDL Advanced will allow you to demonstrate your higher level computer skills; you can show employers that you are confident, competent and efficient in a range of applications.

Standard ECDL

- Module 1:** Concepts of Information Technology
- Module 2:** Using the Computer & Managing Files
- Module 3:** Word Processing
- Module 4:** Spreadsheets
- Module 5:** Database
- Module 6:** Presentation
- Module 7:** Information & Communication

ECDL Advanced

- Module AM3:** Word Processing
- Module AM4:** Spreadsheets
- Module AM5:** Database
- Module AM6:** Presentation

As an Accredited **ECDL** Test Centre, Interalia's aim is to ensure that you receive the necessary training in order for you to have the best chance of passing your **ECDL** modules first time.
